Really Amazing

# Dear Guests,

We live and breathe hospitality and love it when we can make you happy. Our teams are also happy to fulfill any wishes you may have, usual or unusual, and surprise you with some friendly ACHAT-moments.

Heartfelt, genuinely authentic, simply personal. We also appreciate constructive suggestions, preferably from one person to another, which allows us to improve our services further. Feel free to tell the entire world about everything you like about us, and be sure to visit us again soon.

**We wish you really amazing stays.**

Yours sincerely, Philipp von Bodman

# 34 really amazing Hotels

34 ACHAT Hotels, 32 of them located throughout Germany, one in Salzburg and one in Budapest, all of them look forward to welcoming you. Status as of spring 2021, because more are sure to follow ...

## Each of Them Unique

No two are the same. They proudly bear three stars \*\*\* up to four stars Superior \*\*\*\*S. They provide between three and five room categories. And in terms of architectural and interior design, they are always very individual. They can be found where the action is in city centers. Or near trade shows, airports, and transportation hubs. Or out in the idyllic countryside, with excellent connections to sights and tourist attractions.

## Each is Special

Numerous ACHAT Hotels are recommendable for meetings, events and celebrations. Each one offers its own enchanting special features such as a cozy beer garden, a culinary sun terrace, a park view, and so much more.

## Always. Real. Amazing.

All our hotels are well-known for their lavish breakfast buffets (that easily earn their stars) with sparkling wines included. The restaurants love to serve regional cuisine interpreted with a modern twist. And they always have a bar. What they all have in common is their warm hospitality.

# 34 Gemstones ...

## ... for body, mind and soul

ACHAT is named after the gemstone „Achat“, or when translated to English, „agate“. Every single one is in form, color, and shape a multifaceted unicum that will enchant you with its intrinsic values.

## Somehow Magical

The agate-stones are also said to have a vitalizing effect. The green Achat [agate], our name-giver and mascot, is supposed to promote relaxation, inspire the soul, and awaken warm-heartedness.

Really Personal

We feel that the green Achat [agate] perfectly describes our hotels.

Every one of our Hotels is also unique: Each with its own facets. Your local teams' personalities lend hospitality a face, making it a familiar and lively experience - and provide you with heartfelt ACHAT moments.

# It's really amazing here ...

In the figurative as well as the literal sense, you'll always lay right with us. For recreation and well-being, for gourmet dining and relaxation, for sightseeing and shopping, for meetings and celebrations. And of course for sleeping, like a log.

And such ACHAT-moments are always known to be included:

„Teddy is  
going to bed  
soon too.“

“Wonderfully  
relaxing.“

„I‘m turnin‘ my  
head up and  
down ...“

„I‘ve got one more  
surprise ...“

„Delicious  
start-up.“

# Existing Options

It's a good thing: All ACHAT Hotels offer free WIFI and a laid back lounge bar. Plenty of outside parking spaces or a roofed parking facility is also available. And your four-legged friend is always welcome.

All rooms are really amazingly equipped from the TV up to the blowdryer. The extent to which offers may vary can be viewed in the matrix and at length on each hotel's website.
